PIVOT MINI

A versatile luminaire designed to give you full direction of how you want to light your space. Utilise it as a minimal downlight or bring its attention towards your walls, there's no wrong way to bring light into your space.

- Precision lens – for enhanced light distribution, and reduced glare.
- Versatile design – change the way you utilise the light at any time.
- Deep set lamp position – for visual comfort and low glare.
- Full control – Full 360° rotation and up to 120° of adjustment.
- Phase-Cut Dimming – Craft the perfect ambience for your space.
- Flicker Free – A higher standard of light, preventing discomfort.
