

ARK

With a beautiful curved glass lens & brushed bronze finish, the ARK will dazzle any space. Featuring a height adjustable body that can be changed at anytime, by simply raising or lowering it with your hand.

- 80° soft edge beam – Creating a gentle ambience throughout the room.
- Brushed bronze finish – Among our high-quality, powdercoated black and white finishes, the ARK boasts a unique brushed bronze finish, elevating its individuality and sophistication.
- Hand adjustable height – With up to 1.8m of adjustability, giving you more control over how you light your space from day to day.
