

CORE SUSPENSION

The Core Suspension light provides yet another alternative to our suspension light collection. A shorter yet wider fitting compared to others in our range the Core Suspension provides an exceptionally high lumen output, better light distribution and visual comfort.

- High CRI – Defining architectural details and finishes.
- Quick connection system – For durability and easy installation.
- Flicker free driver – To prevent eye strain.
- Available in 2 beam angles – For the perfect light application.
- Multiple baffle options – Further aesthetic freedom and flare reduction.
