

## LINEX 11 SPOT

The LineX offers a minimalistic approach to track lighting, in comparison to the larger, but more versatile 3 Circuit Track. With a smaller profile, and smaller fittings available for it, the LineX is ideal for residential lighting.

- High CRI – Defining architectural details and finishes.
- Light any direction – The LineX 11 Spot can rotate 350°, and be adjusted up to 90°.
- Dimmable – Featuring 24V DC allows any of the LineX fittings to be dimmed in multiple ways.

<b>DIMENSIONS</b>	<b>H1</b> 88mm	<b>W1</b> Ø40mm
