

ORE Numa Plaster Indoor Wall Light

Pure and sculptural, Numa transforms gypsum plaster into an expression of quiet elegance, its smooth matte finish capturing light and shadow with subtle depth. Casting gentle illumination upward and downward, its minimalist geometry complements both plaster and concrete finishes, embodying balance, simplicity, and refined form.

Product Code	NUM.0211.MW
Usage	Indoor
Dimensions	Ø200mm*120mm*85mm
Fixture Material	Plaster (Gypsum)
Fixture Finish	White
Globe Base	1 x G9 - Globe Not Included
Wattage	5w LED
Voltage Input	240V
Dimmable	Yes (depending on the selected globe)
IP Rating	IP20
Warranty	3 years
Installation	Must be installed by a licensed electrician
