DESCRIPTION

The Orb Sur Wall Light is a refined interpretation of the classic orb, combining a perfectly proportioned opal glass sphere with a minimal metal frame. This layered construction introduces depth and subtle contrast, allowing the form to feel both architectural and softly luminous.

The opal glass emits a warm, evenly diffused light that gently enhances surrounding surfaces, making Orb Sur a versatile choice across a wide range of interior settings. Its balanced scale and understated detailing allow it to sit comfortably in both contemporary and timeless spaces, delivering atmosphere without visual clutter.
