

ORE Grotta Black Glass Pendant Light

Named for the grotto, a cave carved by light and water, Grotta channels that same hollowed, sculptural quality into glass.

Each pendant is a single hand-blown shade, unadorned, letting the material do the talking.

And like a grotto, it reveals a different character depending on where you stand: from one side, the glass flows in soft, rounded folds; from the other, a deeper, more sculptural fold appears.

Because every shade is shaped by hand, no two are ever quite the same.

Product Code	GRO.4527.BLK
Usage	Indoor
Dimensions	150mm (D) x 150mm (H)
Fixture Material	Glass
Fixture Finish	Black Glass
Canopy Finish	Black
Suspension	2000mm Black Braided
Globe Base	E14 - Globe Not Included
Wattage	Max 9W
Voltage Input	240V
Dimmable	Yes (depending on the selected globe)
IP Rating	IP20
Warranty	3 years
Installation	Must be installed by a licensed electrician
