

ORE Sora Alabaster Linear Pendant Light

Serene and luminous, Sora transforms one of the world's most prized stones into a work of sustained atmosphere.

Hand-selected Spanish alabaster runs the full length of the fitting, diffusing light into a warm, honeyed glow that shifts subtly across the stone's surface.

Sora commands a dining room or hospitality setting with the calm authority of something found, not made.

Product Code	SOR.27520.18.MB (1800mm) / SOR.27520.21.MB (2100mm)
Usage	Indoor
Dimensions	1800mm / 2104mm (Length)
