Sky Wall Uplight 300 and 600

Available in two sizes, the Sky is a slim, surface-mounted wall uplight with a modern minimalist design. It delivers a 45° asymmetric light beam, creating uniform and harmonious ceiling illumination for indirect lighting applications. With a glare-free design, a high efficacy of 120 lm/W and a built-in driver, it is ideal for corridors, lounge areas, conference rooms and office spaces.
